# Of the Father's Love Begotten

John M. Neale + Henry W. Baker / DIVINUM MYSTERIUM

1. Of the Father's love begotten  
ere the worlds began to be,  
he is Alpha and Omega,  
he the source, the ending he,  
of the things that are, that have been,  
and that future years shall see,  
evermore and evermore.

2. O that birth for ever blessed  
when the Virgin full of grace,  
by the Holy Ghost conceiving,  
bore the Saviour of our race,  
and the babe, the world's Redeemer,  
first revealed his sacred face,  
evermore and evermore.

3. This is he whom seers and sages  
sang of old with one accord,  
whom the voices of the prophets  
promised in their faithful word:  
now he shines, the long-expected:  
let creation praise its Lord.  
evermore and evermore.

4. In the heights of heav'n adore him,  
angel hosts his praises sing,  
all dominions bow before him  
and extol our God and King;  
let no tongue on earth be silent,  
ev'ry voice in concert sing,  
evermore and evermore.
